DET FRIA ORDETS HUS

Office

Working space

Short- Term Residence
(planning stage)

School and youth
programs

ICORN guest writer

Premises for meetings
and events

Problem at hand

Low-tech

Low digital awareness and imagination

Not reaching outside Växjö

Technical skills/support

Small organization

Challenges

Get time to learn

Not talking/thinking enough about digital solutions

Support and fellow thinkers

Connect with people that know-how

Vision

Short term

- New thinking
- Contacts
- Skills
- Pilot project
- Better outreach

Long term

- Digital storytelling on topics like personal stories, spoken word, immigrant stories and the literary heritage
- A varied, project specified digital approach and work
- Better outreach
- Technical investment

Concrete contribution

Ongoing projects that need a digital approach

Express yourself ▪ Poetry workshops and spoken word with young people in Araby.

The Ringsberg project, including Voices from the Old Jail ▪

Developing the area as a cultural "nod" with Cultural planning (participation from citizens, "mapping", studying cultural heritage for developing in a sustainable way).
Archive studies from the jail, personal stories, participation from the citizens and neighbours, inspiration for spring offs, public art, drama, literature, sense of community

Literaty heritage ▪ School programs on Wägner, Lagerkvist, Moberg.

New approach to stimulate and meet the interest in regional literature
