Information for programme students at the School of Business and Economics, Linnaeus University

Applying to programme courses within your programme - Spring 2027

As a programme student at the School of Business and Economics, you are responsible for applying for programme courses for the upcoming semester via universityadmissions.se (English) or antagning.se (Swedish). Details about which courses to apply for can be found later in this document, under your specific programme.

You apply for **one semester at a time.**

How the application process works

- You apply via universityadmissions.se (English) or antagning.se (Swedish).
- The application period is **1 October – 15 October**
- Use the **application code** provided for each programme course in this document.
- You may be admitted to a **maximum of 45 credits per semester**, of which **up to 30 credits can be within the programme.** In addition, you may add freestanding courses beyond the 30 credits limit if you wish.
- Priorities for your courses: programme courses first, followed by any freestanding courses.
- You have a guaranteed seat for the programme course, provided that you are eligible.

How to apply

1. Go universityadmissions.se (English) or antagning.se (Swedish).
2. Select **Linnaeus University** under *Log in with university account* and click on *Student Portal.*
3. Click *Continue* and go to *Search for courses.*
4. Choose the *upcoming semester.*
5. Use filter *Only show courses that I can apply to within my programme.*
6. Make sure that the **application codes** (starting with **P**) match those listed under your programme in this document.

Important dates

- **9 December:** You will receive your Notification of Selection Results letter.
- **16 December:** Last day to accept your offer.
    - Even if you have a guaranteed place, you must actively accept it to keep your spot.

Have you failed to complete a course from the previous semester?

- Do not submit a new application via universityadmissions.se or antagning.se.
- Instead, contact ekonomihogskolan@lnu.se at the start of the semester to request a possible re-registration.

Conditionally admitted

You may be **admitted with conditions** to a course if you do not meet the entry requirements at the time of application.

- You must fulfil the **prerequisites** by the start of the course.
- The requirements are listed in each course syllabus.
- Eligibility checks are carried out up until the course begins.

Are you going on an exchange spring 2027?

- If you have been nominated for exchange studies, you should not apply for programme courses via universityadmissions.se or antagning.se.
- Your exchange semester will automatically appear in Ladok at the beginning of the semester.
- You will register for the exchange semester at the start of the semester.

Tuition fees

Are you a fee-paying student, please read the local regulations at Linnaeus University at Lnu.se.

Scholarship Recipients

If you have received a scholarship, and you are planning to study courses at another university or go on an exchange semester, you must contact the provider of your scholarship to ensure this is permitted under the semester of your award.

Residence Permits

Always check with the **Swedish Migration Agency** if you have questions regarding residence permits, especially if you plan to study abroad. If your residence permit is linked to your studies in Sweden, you are **not allowed to take distance learning or online courses**. You must be enrolled in **campus-based courses** only.

Any questions?
