

Applying to programme courses within your programme - Spring 2025

Those studying a programme at the School of Business and Economics need to apply for the upcoming semester's programme courses via universityadmissions.se (English) or antagning.se (Swedish). What applies to you is stated on the page for your programme, see further on in the document. You should only apply for one semester at a time.

If you have an unfinished programme course, you **cannot** apply to the same course again via universityadmissions.se. Instead, you need to contact ekonomihogskolan@lnu.se at the start of your semester for a potential re-registration.

About the application

- Apply via universityadmissions.se (English) or antagning.se (Swedish).
- The application period **opens 1 October** and **closes 15 October**
- Use the **application codes listed below** under your programme for each programme course
- You can only be admitted to a maximum of 45 credits per semester, of which a maximum of 30 credits are allowed within your programme. When ranking the courses in your application, programme courses go first followed by possible single subject courses
- You have a guaranteed seat to the programme, provided you are eligible

How to apply via universityadmissions.se

1. Go to *Log in* at universityadmissions.se (English) or antagning.se (Swedish), choose Linnaeus University under the box *Log in with university account* and go to *Student Portal*
2. Press *Continue* and go to *Search for courses*
 - a. Choose the *upcoming semester*
 - b. Filter your selection by choosing *Only show courses that I can apply to within my programme*

Make sure that the application codes (starting with P) match the application codes in this document for your programme.

Important dates - Reply yes!

- **10 December:**, the admission results will be sent out.
- **16 December:** The last day to reply yes to your admission. Even if you have a guaranteed seat on the programme courses, you still need to reply **Yes** to the admission decision.

Conditionally admitted

You may be **admitted with conditions** to a course for which you were not yet eligible to when you had applied. By the time the course starts **you must meet the prerequisites** specified in the [course syllabus](#). Eligibility checks are carried out at various times right up to the start of the course. If you are required to pay a tuition fee, you will be conditionally admitted until the payment is complete.

Exchange studies

Those who are nominated for exchange studies in the upcoming semester should **not** apply for programme courses via universityadmissions.se. *Exchange studies* will by the start of the semester, automatically appear on your student account in Ladok. You register for your exchange studies in Ladok at the beginning of the autumn semester.

Scholarship recipient

If you are a scholarship recipient, you must contact the bursary for your scholarship if you wish to study courses at another university or go on exchange.

Swedish Migration Agency

Always check with the Swedish Migration Agency if you have any questions regarding residence permits related to your studies, especially if you choose to go on an exchange semester. Please note that if you have a residence permit connected to your studies, you cannot choose to study so called distance/online courses, only campus-based courses.
