What is Linnéstudenterna?

- We are your Student Union and we represent all undergraduate, masters and PhD students at Linnaeus University, no matter where you live. We work for the students, not the university.
- We will do everything we can to make your life as a student as good as possible.
- We act as your social safety net and we offer support, help and advice if you've been mistreated by the university.
- Membership provides financial benefits through student discounts and other advantages.

Why should I join?
